From Press Releases

"We're excited to have a new facility in central Pennsylvania," said Tom Salvaggio, President, CAI. "Our central Pennsylvania business has seen great growth and we're fortunate to have found a new location within steps of our current leased facility."

"It was a challenge to find a great new location for CAI in central Pennsylvania." said Attorney Feinberg. "We searched the market and considered existing properties and development sites. When 3801 Paxton Street became available we knew we found the perfect property."
